Subject: Deficient Notice of Intention to Commence Small Mining Operations, Martinique Mining Corporation, Crescent Creek Mayday Mill, S/017/043, Garfield County, Utah

Dear Mr. Azoulay:

The Division of Oil, Gas and Mining has reviewed the amendment to the referenced Notice of Intention to Commence Small Mining Operations (NOI). The Division also compared the information with that on file with the Utah Division of Corporations. You are the only officer listed with the Division of Corporations, so the following items will need to be addressed before the NOI can be determined complete:

1. The names listed under officers in Section 4 of the NOI must be the same as those listed with the Division of Corporations. Alternatively, you may update the information on file with the Division of Corporations or provide evidence that the information in the NOI is correct.
2. The person that signs the NOI must be an officer, but Laure Salerno is not listed as an officer with the Division of Corporations. You may either provide a replacement page with your signature, update the information on file with the Division of Corporations, or provide evidence that Laure Salerno is an officer.

Please provide your response as replacement pages to your original NOI, using Form MR-REV-SMO/EXP, available on the Division's web site at www.ogm.utah.gov.

If you have any questions regarding this letter, please call me at 801-538-5261 or Wayne Western at 801-538-5263. In reply, please refer to file number S/017/0043. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
